

OKY1003

Product Name: Universal Parts LED Resistor Dupont cable Electronic Starter Kit

Product Module: OKY1003

Quick Details:

402Tie point breadboard	100R
403Tie point breadboard	1K
404Tie point breadboard	4.7K
405Tie point breadboard	10K
406Tie point breadboard	47K
407Tie point breadboard	100K
408Tie point breadboard	220R
409Tie point breadboard	330R
410Tie point breadboard	100PF
411Tie point breadboard	10NF
412Tie point breadboard	100NF
413Tie point breadboard	22PF
414Tie point breadboard	10UF
415Tie point breadboard	470UF
416Tie point breadboard	Green
417Tie point breadboard	Red
418Tie point breadboard	Yellow
419Tie point breadboard	White
420Tie point breadboard	Black
421Tie point breadboard	Blue
422Tie point breadboard	Red
423Tie point breadboard	Yellow
424Tie point breadboard	Green
429Tie point breadboard	Black

Package Included

100R resistor *10

220R resistor *10

330R resistor *10

1K resistor *10

10K resistor *10

100K resistor *10

4.7K resistor *10

47K resistor *10

100PF ceramic capacitor *10

10NF ceramic capacitor *10

100NF ceramic capacitor *10

22PF ceramic capacitor *10

10UF electrolytic capacitor *10

470UF electrolytic capacitor *10

Red LED *10

Green LED *10

Yellow LED *10

Blue LED *10
